ARRIVE

WELCOME TO THE ASCENT BUILDINGS

The Ascent Buildings comprise four contemporary office buildings within Farnborough Aerospace Centre, just a stone's throw away from the business aviation gateway to London - TAG Farnborough Airport. It is regarded as one of the leading business parks in the M3 corridor, and home to many corporate headquarters of international brands such as BAE Systems, Infor, Lockheed Martin, Fluor and Zurich.

LOCATION & ACCESSIBILITY

Benefitting from excellent accessibility, The Ascend Buildings are situated close to the A331 giving access to the A3 and J4 of the M3. There are electric charging points for hybrid cars and parking provided at a ratio of 1:200 sq ft. Its position next to Farnborough Airport (private charter) and close proximity to Heathrow and Gatwick airports means The Ascend Buildings can easily cater for international links. A shuttle bus will run from Farnborough Aerospace Centre to Farnborough train station in the town centre (7 minutes), with direct trains to London Waterloo (40mins).

ABOUT HERMES

Hermes Investment Management provides active investment strategies and stewardship. Our goal is to help people invest better, retire better and create a better society for all. We currently manage **£30.8bn* for a global clientele of institutional and wholesale investors**, offering public and private market solutions across equity, fixed income, real estate and alternatives.

However, we believe that our duty extends beyond achieving clients' financial outcomes: we must act as stewards of the investments we manage and advise. In 2004 we established Hermes Equity Ownership Services (Hermes EOS), which is now one of the largest stewardship teams in the industry and currently advises on £317.1bn*.

Outcomes Beyond Performance

We are an asset manager with a difference. We believe that, while our primary purpose is helping beneficiaries retire better by providing world class active investment management and stewardship services, our role goes further. We believe we have a duty to deliver holistic returns – outcomes for our clients that go far beyond the financial and consider the impact our decisions have on society, the environment and the wider world. Our goal is to help people invest better, retire better and create a better society for all.
