LOCATION

Westway lies approximately 7 miles west of Glasgow City Centre and adjacent to Glasgow International Airport. The park is accessed via the four way J27 of the M8 motorway, just 1.2 miles away, which provides access to Glasgow, Edinburgh, the M74, M77, M80 and in turn the national motorway network.

The main entrance is situated on Porterfield Road just off the A741 which is the main arterial route from the M8. Block A benefits from frontage to Porterfield Road and is adjacent to the existing Porterfield Road entrance. The new entrance via Wright Street will provide direct access to the airport, J28 of the M8 and Glasgow Airport Investment Area in just 2 minutes.

Westway will benefit from the significant additional local infrastructure being provided to the Glasgow Airport Investment Area with new roads, bridges, cycle routes and pedestrian footpaths improving access.
